From Advertising: Door Closer Improvement Retrofit Kit Brochure

First Published: 21-JUN-2005

Comments: Introduces door closer improvement kit universal to most door closer devices. Simple retrofit kit only includes plastic cup w/ magnet and hold-open tab. Please note that the o-ring fastener is an optional method of attachment onto the closer.

DoorButler® Introduces

MagChek™ Retro™

Snapfit Magnetic Hold for Door Closers

Check it out for yourself! Just install this pre-production sample on most any new closer.* If you like the way it works, please let us know. We also offer a fine door closer, no doubt competitively priced.

*May not function on certain brands.
Please allow wear-in period for max performance.

1. Cup

2. O-Ring

3. Hold-Open Tab

The **RedThing™**

Installs in Seconds!

O-Ring

Cup

Tip: Use 1/2" pipe as o-ring tool

Adjust

Press o-ring into closer. Push-n-twist cup for snug fit. Face magnet to door & arrows up. Inform your customer!

OFF

ON

Basic Hold

Reliable until you want to close, guaranteed!

FeatherTouch™

Gently holds, then push door out to close!

OFF-ON

Set **Red** tab softly for easy release.

Note: made of hardened steel. If tab sticks, slide back & forth to hone slightly.
